

Corrective VET international training
for obesity prevention and healthy life style promotion

CORRECT IT!

Co-funded by the
Erasmus + Programme
of the European Union

Newsletter No. 1 December 2017

What is Correct it?

Corrective VET international training for obesity prevention and healthy life style promotion (CORRECT IT!) is an Erasmus+ strategic partnership for VET training project that aims is to gather a healthy lifestyle good practices collection and develop an innovative VET training curricula, methods and contents on obesity prevention and healthy lifestyle skills for nurses, teachers, social workers in order to improve their knowledge and skills and capacitate them to positively act upon their end-users.

Outputs

- a healthy lifestyle concept analysis and collection of good practices,
- a VET obesity prevention and healthy lifestyle curricula,
- a tested platform and VET blended learning obesity prevention and healthy lifestyle training materials.

Kick-off meeting of the Correct it! Project was held on 23-24 of October 2017 in Stavanger, Norway. Partners discussed on project aims, activities, new timeline and budget rules. Project dissemination and Risk assessment plans were decided.
